To

B.K. Venkatavarada Iyengar, Esquire,
Secretary to the Govt. of H H. the Maharaja of Mysore,
General & Revenue Departments

Sir,

With reference to Government Order No.(6456-8)-180-2/Fd dated 26/27 January 1905 sanctioning the appointment of Mr B K Sreenivasiengar as an Assistant Professor of Mathematics in this College, I have the honor to inform that he has submitted to the Government of India his resignation of his present appointment, but fears it might take two or even three months before he can be relieved of his present appointment.

In these circumstances I have assigned the F A Mathematical teaching, which would devolve on him, to Messrs Venkatanarnappa and B Venkatesachar although it deprives me of their assistance in the Laboratory and throws on me and on them too much work, because in the event of any of the staff being absent for a day or two it makes it impossible for me to fill up the teaching when every teacher has his time fully occupied This explanation is necessary lest the Government should think that if I can manage without a special Mathematical Assistant for even a month I should be able to manage indefinitely I should further explain that at the beginning of the year Messrs B Venkatanarnappa and B Venkatesachar may be better trusted to take the teaching than during the latter half of the year when the teaching should of necessity be entrusted to one who is an expert in Mathematics I have considered it better to make this arrangement than to obtain for such a short period the services

of an outsider who would be new to the classes and their work and possibly to the institution

I have the honor to be,

Sir,

Your most obedient servant,

K N R

Principal
